

Allied Health Services 'NEW' to Echuca!

Occupational Therapy

Kaitlyn Bourke (Paediatric Occupational Therapist) 'Kids In Sync'

PH: 0439 485 500

Email: kait.Bourke@bigpond.com

Kaitlyn specialises in working with children who are experiencing sensory processing difficulties, autism spectrum disorder, learning difficulties, attention deficits, and behavioural disorders.

Kaitlyn works with carers, teachers and children in the home/school environment, developing individual programs designed to support the child's ability to learn and engage in daily life. Please contact Kaitlyn to find out how occupational therapy may assist your child's development.

Kaitlyn is a registered Helping Children With Autism (Fahcsia) provider and Medicare provider.

Kate Hill (Paediatric Occupational Therapist)

22 Porter Street Moama, NSW

PH: 0448 864 216

Email: ot4children@gmail.com

Kate operates a private practice in Moama. She works with children (0-12yrs) who are experiencing difficulties with their everyday activities due to illness, disease, trauma or developmental delay.

Kate uses fun, play based approaches to assess children's development across a range of areas (including motor skills, self-care & sensory processing). Kate uses an activity based therapy approach to promote healthy development and provides ideas for home & school or preschool.

Kate is a registered Medicare and HICAPS provider.

Speech Therapy

Rebecca Amy (Speech Pathologist)

PH: 0457 930 508

Rebecca Amy is a Speech Pathologist with experience working in early intervention, schools and rehabilitation for children and adults.

Rebecca has experience with Autism Spectrum Disorders and is available for private appointments in Echuca.

Rebecca is a registered Medicare and HICAPS provider.

Celeste Plant (Speech Pathologist)

SCOPE Victoria

PH: 5823 5744

Celeste is a Speech Pathologist providing private services in Echuca through SCOPE Victoria.

Celeste is available to work with clients in the home, clinical setting or community setting (eg. School).

SCOPE is a registered Helping Children With Autism (Fahcsia) provider.

How do I access a therapist's services through Medicare?

- See your GP for a referral under the Medicare Plans; Enhanced Primary Care, Better Access to Mental Health.
- See your paediatrician for a referral under the Helping Children with Autism Medicare Item 135.
